On February 4, 2021, and March 2, 2021, Navarro tested positive for Methamphetamines and the results were confirmed by the National Lab.

U.S. Probation Officer Action:

The Probation Office is recommending no Court action be taken at this time due to Navarro current stable housing and employment. Additionally, the probation officer would like the opportunity to address the non-compliance therapeutically. Navarro has been warned that further positive results would require her enrollment of a residential substance treatment that would in turn put her at risk for losing temporary housing and employment.
